# How to Submit a Recommendation

## OVERVIEW

---

The brief recommendation process:

1. Applicant submits the form for recommenders by entering first/last names and contact email.
2. Recommender will receive the email with a link to upload a file.
3. Recommender clicks on a link, creates an account if needed, then uploads the file.
4. Applicant is notified about the completion of the request.

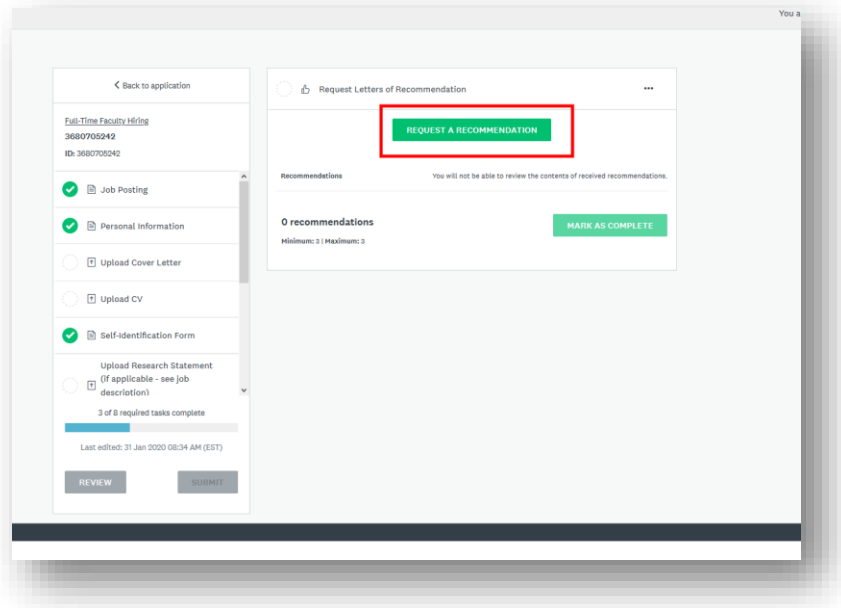

Note: the applicant does not see the provided file.

# APPLICANT'S PROCESS

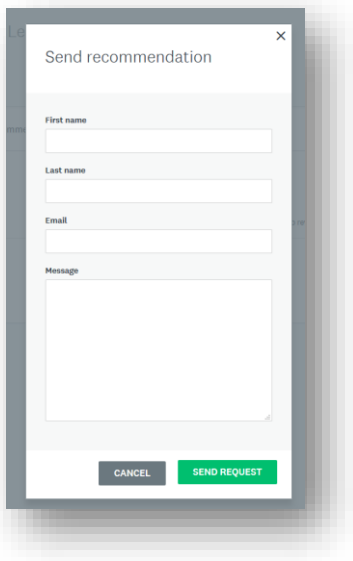

---

The recommender uploads the recommendation letter directly to the system, therefore there is no need to contact or provide the applicant the recommendation letter separately. Once an applicant submits the form for recommendation, you will be notified via your email.

1. Applicant Clicks on **“Request a Recommendation”** button.

2. Applicant enters first and last names and contact email and clicks on **“Send Request”** button.

3. At this stage, the email is sent to recommender.

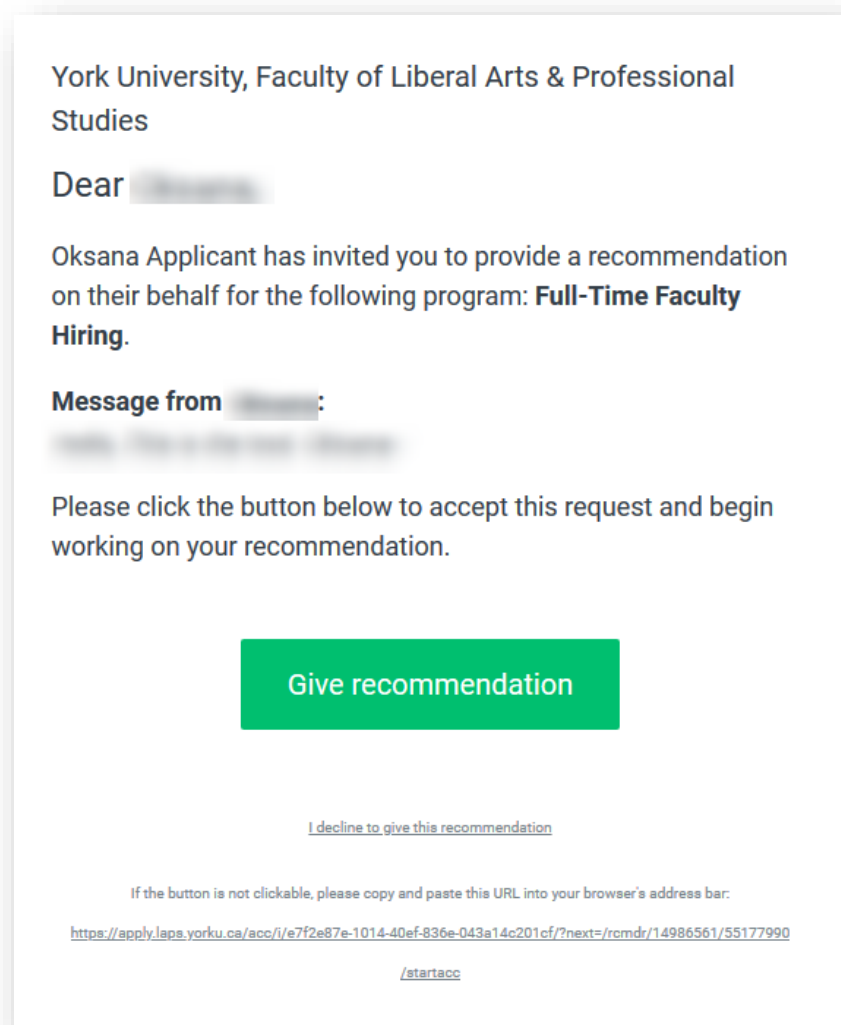

## RECOMMENDER'S PROCESS

---

### Sent Invitation

The current settings of the application do not allow applicants to view the recommendations provided; however, they will be aware if the recommendation was given or declined.

1. Check your Inbox for an email from York University with “**Give recommendation**” button  
Note: The email should go directly to your inbox; however, depending on your email application settings it might be filtered to other folders: i.e. Junk.

2. Click on “**Give Recommendation**” button.

Note: If you have never accessed the site, you will be prompted to register in this system by entering your first, last and email address, and create a new password. After completing this stage, you will be able to see the assigned submitted applications.
