Studying Remotely

Staying focused and motivated while working remotely can be challenging. In an effort to ensure your time at studying at York digitally is successful, we have put together a short list of resources to help you manage stress and reach your academic goals.

YU GOT THIS: STUDY TIPS

This informative PDF is filled with effective tips to make the most of your time completing studies at home. Topics covered range from establishing a routine and maintaining energy levels, to arranging your study environment in a manner that works best for you.

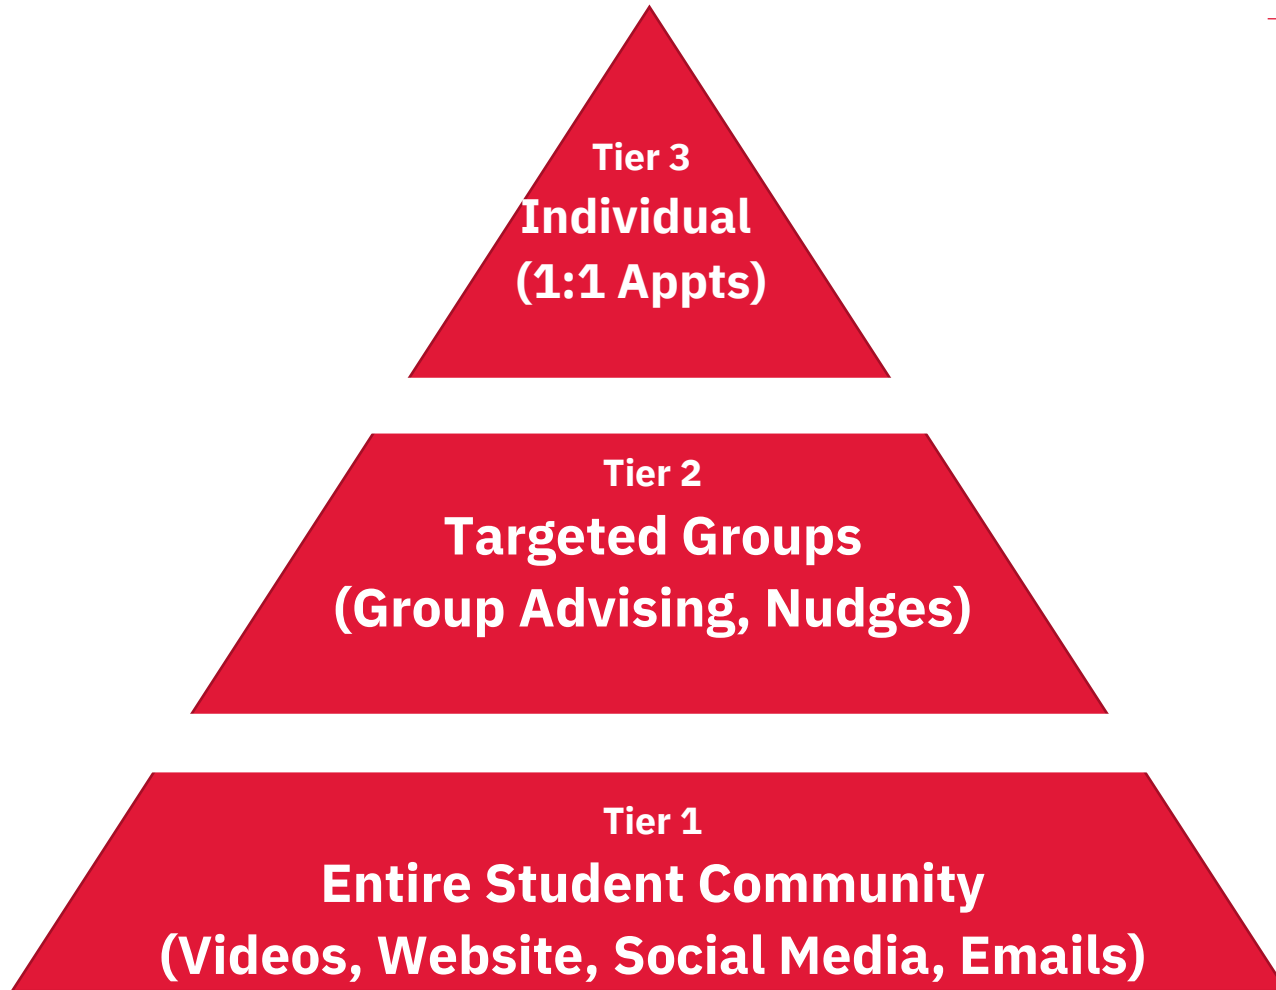

TIME MANAGEMENT

Head over to the Student Community & Leadership Development website for time management tips and tricks to help you set realistic study goals, develop great planning habits, and implement other effective strategies to reach your academic and personal goals.
