Read what former members have to say about this rewarding experience:

"I have thoroughly enjoyed my time on the Academic Policy and Planning Committee. It is a great opportunity to learn more about how collegial governance processes work, and how decisions are made that have substantial implications for student, staff, and faculty. Additionally, serving on standing committees of Faculty Council has given me the chance to get to know some truly amazing colleagues, and has led to some of my fondest memories of my time at York. It is an enriching opportunity that I would strongly encourage LA&PS colleagues to consider!" - Dr. Maggie Quirt
