

**Side-by-Side Comparison of Faculty-wide Degree Requirements for Existing Degree Types and the Proposed Honours Bachelor of Science in LA&PS**

**Note:** GPAs required for graduation in the existing degree types are expressed on the 9.0 scale (current) with the conversion to the new 4.0 scheme noted in square brackets beside; the GPA required for graduation in the Honours Bachelor of Science is consistent with the language of the Council motion and is expressed using the new 4.0 scale which is scheduled to take effect in 2023, before the anticipated Financial Technologies program is launched in LA&PS.

According to the Senate-approved policy, 2.0 on the 4.0 scale is the equivalent of 5.0 on the 9.0 scale.
