

## 2SLGBTQ+ Poverty in Canada Project

### Partnership Tiers

The 2SLGBTQ+ Poverty in Canada: Improving Livelihood and Social Wellbeing Project is a SSHRC-funded national study examining the prevalence, effects, and means of addressing poverty in the 2SLGBTQ+ communities in Canada

Individuals, groups, and organizations inclusive of academics, community partners, students and post-doctoral fellows who are 2SLGBTQ+-identified and/or engaged in anti-poverty work can be involved with the study at one of the varying levels outlined in the table below:

| Tiers  | Salary Research Allowance | Team Co-Chair | Active Team Member | Occasional Contribution | Project Promotion | Input & Feedback | eNewsletter List |
|--------|---------------------------|---------------|--------------------|-------------------------|-------------------|------------------|------------------|
| Tier 1 | ✓                         | ✓             | ✓                  | ✓                       | ✓                 | ✓                | ✓                |
| Tier 2 |                           |               | ✓                  | ✓                       | ✓                 | ✓                | ✓                |
| Tier 3 |                           |               |                    |                         | ✓                 | ✓                | ✓                |

**Tiers** are laid out according to extent of involvement in the Project to respect the capacity of partners

**Salary Research Allowance** was provided by the funder (SSHRC) to those community partners who could provide in-kind contributions to the Project

**Team Co-Chair** involves co-chairing one of the four Teams of the Project involving leading and coordinating the work of that particular Team

**Active Team Member** involves being on at least one of the four Teams and actively contributing to its work

**Occasional Contribution** may include occasionally assisting with particular tasks (i.e., name sponsorships, local collaborations on workshops, public forums, policy analysis, etc.)

**Project Promotion** such as profiling the Project on your website, social media platforms and assisting with recruitment of participants to the study

**Input & Feedback** provided at key points of the Project to assist the Project in ensuring it is meeting its objectives

**eNewsletter List** to receive regular updates on the progress of the Project
