

## WALKING DIRECTIONS TO QARS FOR THOSE STAYING AT THE DELTA HOTEL

For those staying at the Delta Hotel, it's easiest to walk onto campus, which is directly across the intersection from the hotel.

Walking directions: Exit the Delta Hotel toward the Gordon St/Stone Rd intersection. Follow the blue dotted line to the University Center (UC) building. Once inside UC, proceed to UC442 via the north elevators (red line).

## PARKING INSTRUCTIONS FOR THOSE NOT STAYING AT THE DELTA HOTEL

QARS 2025 is being held in the University Center building on campus (UC – the purple building on the map) in room 442 (UC442). To access this room, please take the elevator at the NORTH end of the building.

### Where to park

You can either park in Red Zone permit parking (Red Zone lots are shown on the map as an upside down green “teardrop” with a white P in the middle) or in a Visitor parking spot (Visitor lots are shown on the map as an upside down green “teardrop” with a white P in the middle).

### Paying for parking

To purchase a daily Red Zone parking permit, please go to <https://www.offstreet.io/events/YB3RJ00V>. These permits can be purchased in advance. If instead you park in a Visitor spot, you will need to pay when you park using the HONK app. Details of the HONK app and the location code for the spot will be available on a sign in front of the visitor parking spot.

### Closest parking lots

The Red Zone parking lots closest to QARS are P31 and P12. Both are shown with yellow Xs in the attached map. The blue dashed line shows how to approach the lots by car. Note that the route to P12 is not direct; you will need to go a fair bit east before you can turn back west and enter the lot.

The green dashed lines are walking directions from the parking area to the University Center building, which is the purple building circled in orange.

The closest Visitor parking lots are P31 (on the east side of the lot) and P8 and P9 (shown in green) on the north side of South Ring Road. Again, the blue dashed line shows how to approach the lots by car. The green dashed lines are walking directions from the parking area to the University Center building, which is the purple building circled in orange.
