What do you know about this country in terms of population, climatic conditions, differing customs/practices, social issues, and so on?

How will you deal with language barriers, if any?

BSW INTERNATIONAL PLACEMENT APPLICATION

How will you prepare for a placement in the selected country?

--

What supports do you think you may need to complete a placement abroad?

--

FINANCES

Please be advised that the School of Social Work does not provide any financial support to students completing an international placement. It is the responsibility of the student to obtain sufficient funds for the placement. How do you plan on financing the travel to and from the country, health care, accommodations, living expenses and any other finances associated with a placement abroad?

--

END OF PLACEMENT

Please share with us the ways you are willing to share your placement experiences with York University's School of Social Work upon completion of the international placement (for example making a presentation, participating in a panel discussion, writing an article for the School, and so on):

--

NOTES

Is there anything else you would like us to know in relation to the proposed international placement:
