2. Go up the escalator.

3. Exit the subway.

4. Cross the street.

5. Enter York Lanes and continue straight ahead.

6. Keep walking until you reach the first set of glass doors on the right. Enter through them.

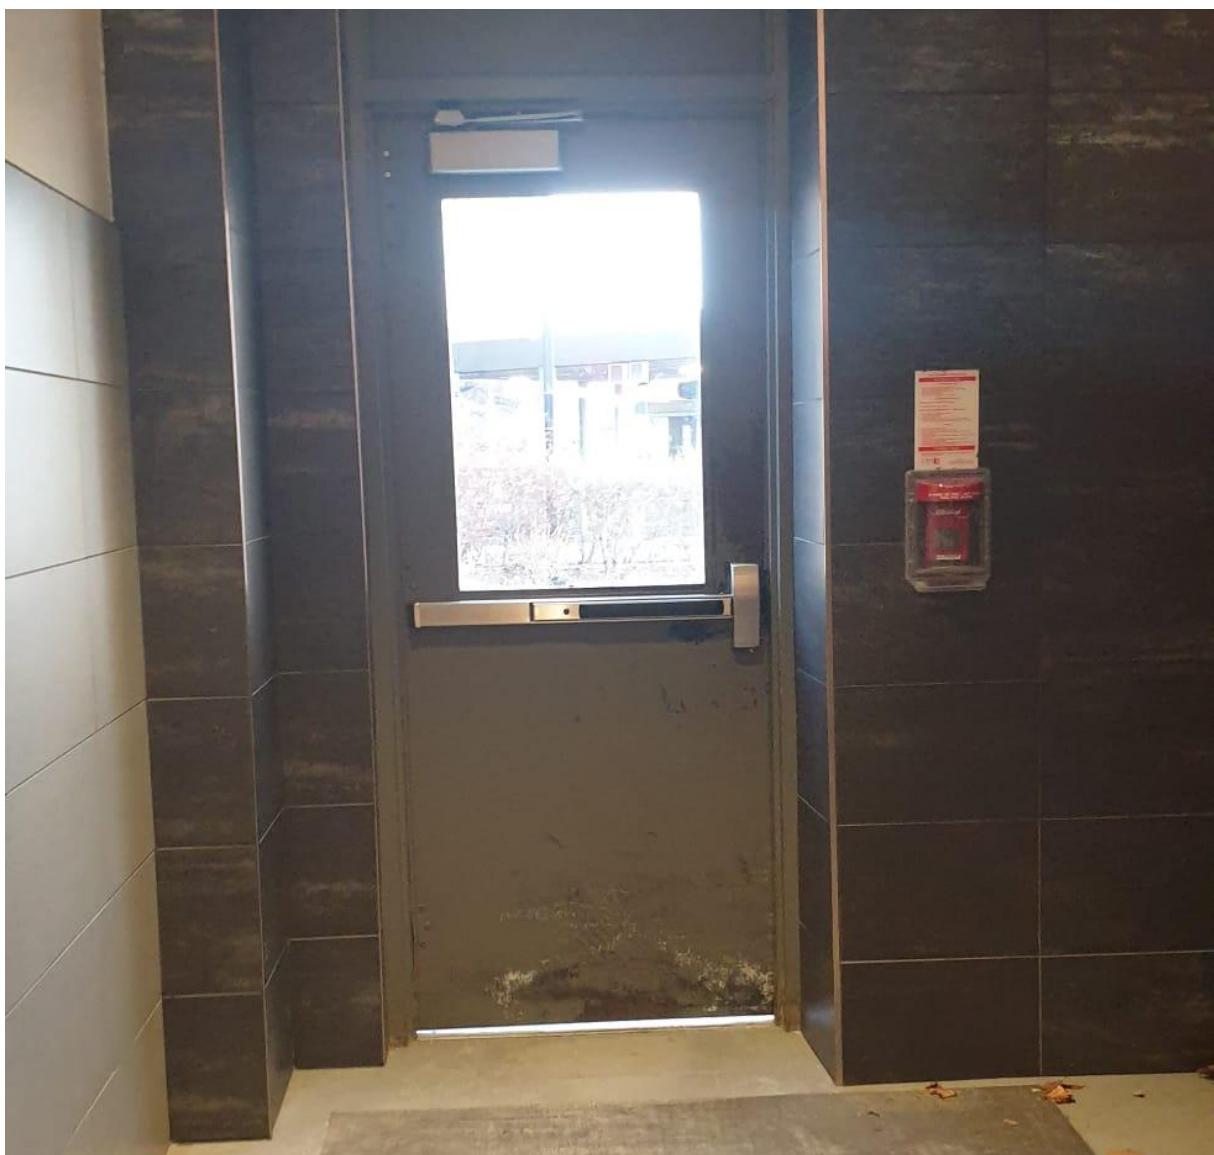

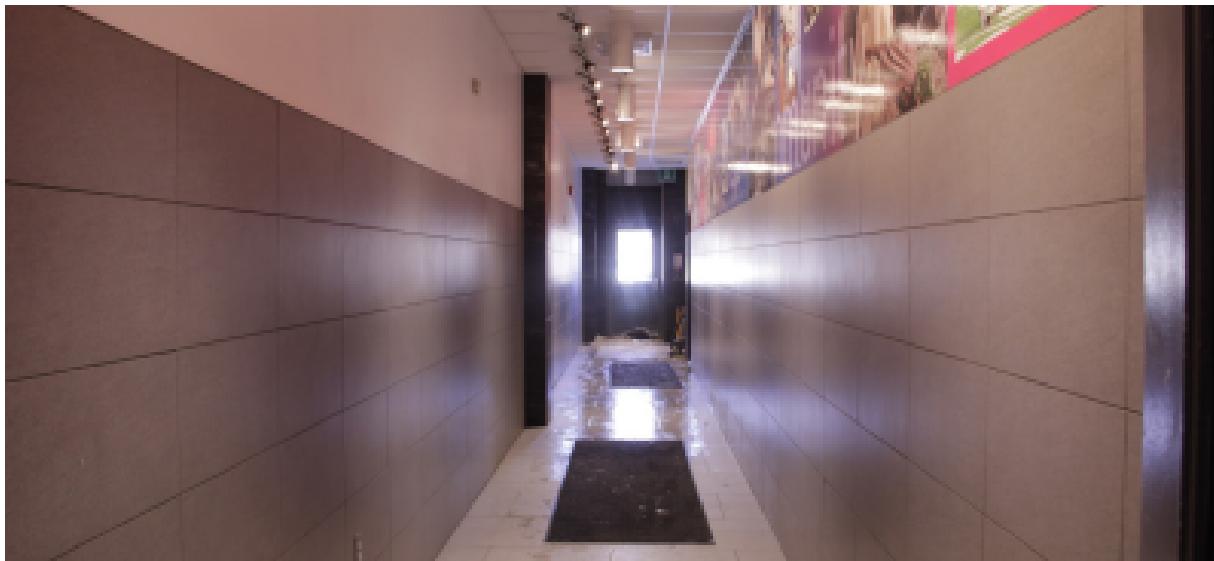

7. You've just entered York Lanes! Walk past Shoppers Drug Mart and towards the Aroma.

8. You are now in front of Shoppers Drug Mart and Aroma. Head towards the corridor between them.

9. Travel down the corridor and exit through the door at the end.

10. Once you exit, head right down the ramp, past the recycling bins, and across the road.

11. Once across the road, turn left and continue forwards.

12. Once you've reached the zebra crossing, watch for traffic and then cross the road.

13. Once across, turn left and walk down the path. When you reach this fork, turn right.

14. Continue down this path. You should be between a line of trees and the parking lot.

15. Once you've reached the recycling bins, you've made it to Vanier College! Take the doors on the right to access the elevator.

16. Enter the college through these doors.

17. The elevator will be right in front of you when you enter. Press the up button.
