¹Students majoring or minoring in English are required to take a minimum number of credits in courses focusing on literature from before the 20th century. Such courses fall into two categories: I) pre-18th century literature (from before 1700), and II) pre-20th century literature (from between 1700 and 1900). Students should fulfill this requirement within the overall number of credits required for their English degree. You must take 3.00 credits from either category I or II.

²Students must achieve a passing grade (50%) in 1001 and a C (60%) in 1002 to proceed in the Major.

³The three English Categories can be found on the program academic calendar

NOTE: Students may not count more than six credits from the 3170 series of AP/EN courses (the Popular Genres series) for major or minor credit in English.
