

	Insight Development Grant	Partnership Engage Grant	Connection
Description	For short-term research development projects. The grants enable the development of new research questions, as well as experimentation with new methods, theoretical approaches and/or ideas.	For short-term and timely support for partnered research activities that will inform decision-making at a single partner organization from the public, private, or not-for-profit sector and respond to immediate needs facing organizations in non-academic sectors.	For short-term, targeted knowledge mobilization activities under the ‘events’ or ‘outreach’ types of initiatives. Can be a first step toward more comprehensive and longer-term projects.
