

YORK UNIVERSITY'S STRATEGIC PLANNING FRAMEWORK

The University Academic Plan (UAP) 2020-2025 is the Senate-approved plan that sets out our institutional vision. It both informs, and is informed by, local level aspirations and plans. Thematic Strategies and Plans are university-wide planning documents that are strategic in nature and span Faculty and unit structures. These documents help guide our actions toward achieving our academic and strategic goals. Links to the planning documents are provided below.

UNIVERSITY ACADEMIC PLAN (UAP) 2020-25
