

Nanjing University (NJU)

General Information

Homepage	https://www.nju.edu.cn/EN/
International Office Homepage	https://www.nju.edu.cn/EN/international_students/list.htm
Campuses	Xianlin, Gulou; Pukou
Profile	As a key comprehensive university under the direct supervision of the Ministry of Education, NJU ranks among China's top universities in its teaching indexes and overall strength. In 1994, NJU was accredited as a key university receiving support by "211 Project." In 1999, it became one of the first batch of high-level universities receiving support by "985 Project." Nanjing University was one of the first to enroll international students in China. Tens of thousands of international students from over 100 countries have studied here, including prominent international alumni in politics, business, academia and other fields.
