  - Serious prizes (e.g., **\$400** 1st place, **\$200** 2nd place, etc..)

RSVP (for planning) <https://forms.gle/zvP3iyczMmreoGm98>

## Bonus Question

Even if you stand perfectly still on an accurate scale, the reading keeps oscillating around your average weight. Why?

Note: No one correctly answered this one last year re FCD 2022!
