Registration - Research GPS
Summer 2024

The Research Commons is excited to introduce a revised and expanded Grant Clinic program in Summer 2024, now called Research GPS (Grant Proposal Support).

Applicants will be assessed based on the priority criteria and accepted into the program on a first come first served basis.

The deadline for registering is Monday, May 6, 2024, by 11:59 pm.

Find more information on our website: https://www.yorku.ca/researchcommons/research-gps/

If you have any questions, email us at rescom@yorku.ca.

* Required

Participant Information

The following questions help us learn about the research community we are serving. Information you provide will be used for anonymous reporting purposes and will direct future sessions of Research GPS.

1. First name *

2. Last name *

3. York email address (or Faculty Research Officer's email address for new faculty without PPY) *

4. Faculty *

5. Department *

6. Which grant will you be applying for? *
   - SSHRC Insight Grant
   - SSHRC Partnership Development Grant
   - CIHR Project Grant
   - NSERC Discovery Grant
7. Will it be a new grant proposal or a resubmission? *

- New grant proposal
- Resubmission

8. Please select the priority group(s) you identify with. *

- Early career researcher
- Researcher transitioning to mid-career
- Researcher who has not held a Tri-Council grant in five years or more
- Researcher submitting to a Tri-Council grant for the first time
- I do not identify with the above priority groups and am interested in participating in the cost-recovery program

9. What year did you receive your PhD? *

10. What year did you receive tenure? If not yet tenured, mark as N/A and go to question 10. *

11. What year were you hired into a tenure track position at a university? *

12. What year did you last submit to a Tri-Council grant, and was it successful? Mark as N/A if needed. *

13. Please indicate if you are a newly hired faculty member (i.e., your position starts on July 1, 2024). *

Note that Research GPS launches on May 21, 2024 for existing faculty and on July 2, 2024 for new faculty.

- I am a new faculty member and am aware of the later launch date.
- I am an existing faculty member.

14. Please confirm that your Faculty Research Officer is aware you are registering for Research GPS. *

- Yes, my Faculty Research Officer is aware.

15. Faculty Research Officer's full name *

16. Faculty Research Officer's email address *
Supporting Documentation

17. Please upload your project concept note as a PDF (500 words max). *

Provide a lay summary of your research proposal, including your research objectives and proposed methodology.

Upload file

File number limit: 1  Single file size limit: 10MB  Allowed file types: PDF
GPS Specialist

Research Commons provides a list of qualified grant development specialists who have supported the program in past years. Researchers are encouraged to work with their Faculty Research Officer to select from this list. Researchers may also find their own specialist.

If you plan to work with a specialist who is not on the list we provide, please provide us with the name and contact information by Monday, April 22, 2024, prior to submitting your registration.

Find more information on hiring a GPS Specialist in the registration guidelines: [https://www.yorku.ca/researchcommons/research-gps/registration/](https://www.yorku.ca/researchcommons/research-gps/registration/).

If you have not received the list of qualified specialists, please email rescom@yorku.ca.

18. Please indicate that your GPS Specialist has confirmed their interest and availability in supporting your proposal. *

☐ Yes, my GPS Specialist has confirmed their interest and availability.

19. Specialist's full name *

20. Specialist's email address *

21. Specialist's title and organization (if applicable) *

Peer Reviewers

Please provide **five suggested Peer Reviewers**. They can be internal or external to York University, and they do not need to be arms-length to you.

22. **Peer Reviewer 1 - Full name** *
