

Update September 1, 2026:

The Presidential Search Committee held its second open community consultation session on June 24. A third session is scheduled for Thursday, September 17, 10:00am-12:00pm in the Dr. Robert Everett Senate Chamber, N940 Ross Building, Keele Campus (registration details are posted at: <https://univsec.apps01.yorku.ca/forms/view.php?id=62399>). For those unable to attend or who would prefer to provide feedback in writing, they may do so by email at yorkpvc@boyden.com or by completing the survey available at <https://forms.gle/w1fiHE8kF58fAbcZ8>.

Consultation continued through the summer months; on June 24 and on August 14, the Search Committee held consultation sessions with members of York's senior leadership and employee groups. An invitation has been extended to all central student governments and employee groups to either participate in a meeting with the Search Committee or provide written feedback.

In addition, the Search Committee has established a tentative timeline for the remainder of the search process. This includes receiving the advisory statement from Senate (end of September), preparing the job posting (second week of October), an active recruitment period (October through December), and two rounds of interviews (second half of January).

Regular updates will appear on the [Presidential Search website](#) and in *YFile*.
