The New Solution for Financial Aid, Awards and Scholarships

This Help Guide for the new solution for Financial Aid, Awards and Scholarships can be used as a quick reference for instructions on where to go for access requests, ongoing support, technical issues and other questions regarding the new system.

Authorized system end users (faculty and staff only) can access the solution by visiting the [UIT SIS](#) page and clicking on the link for Financial Aid, Awards and Scholarships.

Using The System

Go to **YU Learn** to access training materials that offer **Quick Reference Guides** with simple how-to instructions on system functions, training documents, and training video recordings.

1. Click [YU Learn Training Material](#)
2. If it's your first time logging in, click on “**Register**”
3. Click on “**Access Course**”
4. Select relevant folder (e.g. “**User Roles and Student Profile Data**”)
5. Create a bookmark in your browser to directly access the course in the future
