

Dear Colleagues,

The Division of Equity, People and Culture (EPC) is **now accepting applications for the EDI Course Load Reduction Program**, which was negotiated in the renewal 2021-24 York-YUFA Collective Agreement (Article 19.33). The program offers YUFA members course load reductions in “support of service relating to/in support of Equity, Diversity and Inclusion (EDI) by faculty and librarians and archivists who self-identify as Indigenous or as members of racialized groups.” The program is intended to provide recipients with additional time within normal workload to engage in EDI service activities. Applications will be reviewed by a committee convened by the Associate Vice-President Faculty Affairs. The Office of the VP EPC will consult with the applicants' Dean or Principal prior to making a final decision on the awarding of the course load reductions. Full parameters of the program are attached.

Submit your [applications here](#) no later than Friday, March 1, 2024. Awards will be announced by Wednesday, May 1, 2024.
