

North York General Hospital - Volunteers Needed!

North York General Hospital (NYGH) is one of Canada's leading community academic hospitals. We offer our culturally diverse community a wide range of acute care, ambulatory, and long-term care services across multiple sites. Through partnerships, collaboration, and academic endeavours, we seek to set new standards for patient- and family-centred care. NYGH Volunteers generously share their time and talent, delivering compassionate and respectful service to our patients, residents, and their families across our sites. Volunteers are a valued and integral part of the team at NYGH, they are making a world of difference!

NYGH Volunteer Program requirements:

- Must be 18 years of age. Currently not an employee, nor learner, and will not be applying for an academic placement at NYGH in the next year.
- Be willing to complete the required Communicable Disease Surveillance Protocol at the hospital, this includes a 2-Step TB Test, and proof of immunity.
- Be willing to provide proof of COVID vaccine (minimum 2 doses) and flu shot.
- Be available for a weekly 4-hour shift, minimum one-year commitment. Currently volunteer opportunities are available Monday-Friday, between 8:00 a.m.-4:00 p.m.
- Some volunteer placements require a Vulnerable Sector Check. Volunteers incur the cost, and it is not reimbursed (cost is between \$20- \$35).
- Volunteers accepted to the program provide a \$20 deposit for their uniform and I.D. Badge. Deposit is returned when volunteers exit the program.

Current Volunteer Opportunities:

Volunteer Services provides a variety of volunteer programming to support our patients and residents. When staff are working with accepted volunteers to determine their placement, we do our best to work from a mutual match philosophy. However, currently our needs are:

- for volunteers to assist with patient and families finding their way around the facility/clinics at the General site.
- for volunteers to enhance patient experience in a variety of volunteer roles.
